**GET ORGANIZED in 2018**

Time to organize? Along with all of the the other clearance and organization tasks you need to do, don't forget about disaster preparation in the new year. Begin with your personal preparation. Below is a personal guide and attached are two forms that the DPR committee would like to introduce to you and encourage you to take advantage of in 2018.

**Individual Needs form:**

**The individual needs form is intended to provide a way for you to capture essential information and have it available in an emergency so that caregivers could provide the correct assistance. For those of you who live alone you may also want to provide a copy of this completed form to the church office for use by church caregivers should an emergency arise at the church.**

**Volunteer Skills Survey Form:**

The volunteer skills survey is intended to capture the individual skills of our congregation. Each person has a skill set that could be the difference in time of emergency. Filling out this form does not imply that you are volunteering for any specific tasks. The form is simply a way of learning more about our congregation. Please return a copy of the completed form to the church office.

**Personal Preparedness:**

At a minimum, individual/family disaster preparedness suggests the following:

1. Enough emergency supplies to last 3-5 days to function without the normal utility, supply and transportation infrastructure, i.e. without phones, trips to the stores, electricity, gasoline or an outside source of water.
2. Remember, when power goes out, ATM machines will not work. That means get extra cash in place to tide you over until power comes back on line.
3. Preparations for taking care of the children, especially if the event happens while parents or guardians are at work.
4. The identification of an out-of-area telephone number or e-mail address and person to be contacted for family check-in and to serve as the point of communication between family members until they can rejoin. Connecting out-of-area calls often happens quicker than local calls after a disaster. However, remember that the telephone and internet communications may be unusable for a period of time after a disaster, **although texting service may remain available**, even when regular telephone and cell phone service is unusable.
5. Evacuation and reassembly instructions if evacuating your home. Identify a place where the family will gather and determine what each person will need to take. **Be sure to plan for your pets.**
6. After your plan is worked out and your family members know what to do, review your disaster plan with a member of the Disaster Preparation and Response committee. Then be prepared to help each other out if the need arises.
7. Also:
  - A. Know how & when to shut off utilities.
  - B. Have and know how to use fire extinguishers and where they are located.
  - C. Pre-assign immediate response tasks to family members.  
Make sure you have a realistic plan for your family in emergencies and that ALL family members are aware of the plan.

Hope you came into the shop on December 17<sup>th</sup> to pick up those last minute ornaments, candles, candy dishes, or Christmas sweaters, vests or sweat shirts. We sure hope you did!!!

Thank you for keeping your shop open with your many donations of gently used clean clothing. We have been blessed by your yearlong donations.

Just to let you know, we are still in need of a Tuesday helper. Our hours are 10:00 - 2:00 Mon. Tues. Fri. Sat.

## **What is D2D?**

D2D is a one day district event for the empowerment and edification of everyday Christians. It is an opportunity to develop and hone necessary skills for those who serve, or who want to serve, in leadership roles in the church. All presenters are experts in their field, and voluntarily give of their time and energy to help us become more effective and faithful disciples of Jesus. It's also an opportunity to worship, fellowship, and network with Methodist across our district. There is *no cost* to the event and a delicious lunch is provided.

If you're interested in joining, please see Pastor or Eileen Torraca.

# "Alpha" Program

ATTENTION- Please consider joining us for a new study beginning in the Lenten season called ALPHA. We will be meeting on Thursday evenings beginning on February 15, 2018. We will share food, fellowship and study time together. The program runs until April 19, 2018. There will be a Saturday retreat day which is a VERY important part of the program.

Alpha is a program for new and experienced Christians and has been successfully used in many churches. We did the program in our church many years ago. People will be introduced to Jesus in a whole new way. You are encouraged to bring a friend or neighbor to this class. It can be a life changing experience.

What is Alpha? It is a series of 15 interactive sessions over about 11 weeks including the weekend day apart. The sessions have a flow so you should try to set all the dates aside to join us. That is why we are talking about it now so you can put it on your calendar.

We are excited to offer this program and a sign up board will be in Hertlin Hall soon. If you have questions please see Diane Hatton, Marilyn Becht or Pastor Pak.
